**BED IN SUMMER**  
by Robert Louis Stevenson

In winter I get up at night  
And dress by yellow candlelight  
In summer, quite the other way,  
I have to go to bed by day.

I have to go to bed and see  
The birds still hopping on the tree,  
Or hear the grown-up people's feet  
Still going past me in the street.

And does it not seem hard to you,  
When all the sky is clear and blue,  
And I should like so much to play,  
To have to go to bed by day?

1. Why does the narrator say he gets up at night in the winter?

A School starts earlier in the winter [x]

B He needs to dress by yellow candlelight [x]

C When he gets up, it is still dark [x]

D He likes so much to play [x]

explanation

2. What "seems hard" for the speaker?

A Going to bed by day [x]

B Hearing the grown-ups' feet [x]

C Seeing the birds hopping on the tree [x]

D Getting up at night [x]

explanation

Good morning class!

How are you feeling today?

That's nice! Do you still remember our lesson about parallel and perpendicular lines?

Well, let me see if you really remember. We will have a game. Do you know "4 pics, 1 word"?

Good. I have here 4 pictures, and you are going to identify what word is being represented by the pictures. Whoever gets the correct answer will receive a prize. Understood?

Good morning Ms. \_\_\_\_\_!

Good!

Student Assessment Home | Student Assessment Directory | Contact Student Assessment The Texas Education Agency (TEA) releases two types of test questions for the State of Texas Assessments of Academic Readiness (STAAR®) program—sample questions and test forms. Sample test questions are small subsets of test questions released from the STAAR test banks. These test questions may have been previously administered. A test form is a set of released test questions previously administered together to Texas students which reflects the STAAR test blueprints. To see all available STAAR resources, visit the STAAR Resources webpage. STAAR reading tests contain varying amounts of authentic published texts. Copyright permission for these texts is obtained from publishers by the testing contractor on behalf of TEA. These copyright agreements may or may not include permission for a wider, non-secure release after testing.
