Sign X _____

[illegible]

What should an investigation report include. How do you conclude an investigation report. Vbs forensic investigation report. Vbs report summary. What is the purpose of investigation report.

[illegible]

elderly couple is now in an invidious position, of the creation of their children, as they live in a house considered as the profit of crime. Examples include: SARS researchers highlighted how the VBS bottle totaling R1.3 million flowed through Sgameka projects in two EFF-owned accounts between July 28 and November 4, 2017; On December 12, 2017, Sgameka's projects sent R200,000 at VBS-Shoot A Grand Azania, which the same day sent R450,000 to an EFF account (as well as a R20 payment. What seems to be Shivambu . FNB Private Wealth Account); And between May 25 and November 24, 2017, Shivambu paid around R167,000 of his FNB private wealth account to and for the benefit of Eff. It seems that the payments originating in VBS Mutual Bank often caused a gun of massive expenses. Grand Azania made similar payments for a total of at least R680,000 towards his ex-wife and children: on July 21, 2017, a reservoir was made of R400,000 towards a Mercedes-Benz for Pezi; And on September 1, 2017, a payment of R50,000 to Pezi was sent, described as A € à, A "Sihle FloydÀ € à, -. However, the facts presented by SARS, however, reinforce the independent findings of Scorpio and paint an image of the Deputy Lader of EFF that is a main beneficiary of the millions of VBS stolen from the depositors and channeled his brother. An analysis The LIVambu Private Wealth Bank Account suggests that it underlines the administration of your life: pay insurance, rentals, iTunes tickets, school rates of your children, holidays, food and travel. travels. From this account. There were no legitimate reasons for any of the cases and "doans" flowing from VBS Mutual Bank, the division of criminal and illiteral economic activities of SARS, told court. Pezi seems to have received a total of at least R555,087 paid on 22 sections of Shivambu's Private Wealth Bank Account. Now we have incontestable tests. In 2020 Malema made a great spectacle to blink his wallet from journalists to "anteprete", who had not a suspicious bank card that holds the VBS button in him. We apologize for the mistake. Related Articles Shivambu received a parliamentary salary of approximately R44,000 each month, plus three smaller ad hoc payments for which reason is not clear. Read here. He also challenged Scorpio "to bring us the test" so that "decisively" against VBS thieves. SARS findings so far support a large part of the past reports à €
